Andrew Synowiez strives to be the one of the most photographically diverse photographers you'll ever meet. Whether in the studio doing an album cover shoot, on the sidelines of an exciting sporting event, making pictures in East Africa, or capturing beautiful moments at a picturesque wedding, Andrew applies his passion for photography in the same way. His work has been published nationally in Sports Illustrated, the LA Times, ESPN the Magazine, and USA Today. Andrew has invested heavily in furthering what he can do creatively with his photography, including professional equipment and studio space in downtown Durham, NC.
